Musaharati

Ramadan drummers, also known as musaharatis, have always been loudly heard during the holy month to awaken the faithful for their pre-dawn meal.

A JOURNEY THROUGH TIMELESS TRADITIONS

As the crescent moon graces the sky, signaling the arrival of the holy month of Ramadan, we are reminded of the beautiful memories of simpler times.

In Bahrain, Ramadan is more than just a month of fasting—it is a season that binds the past and present, bringing families and communities together in a celebration of faith, compassion, and timeless traditions.
